About Gail Norfleet's recent solo exhibition at The Grace Museum in Abilene, curator Judy Tedford Deaton writes:

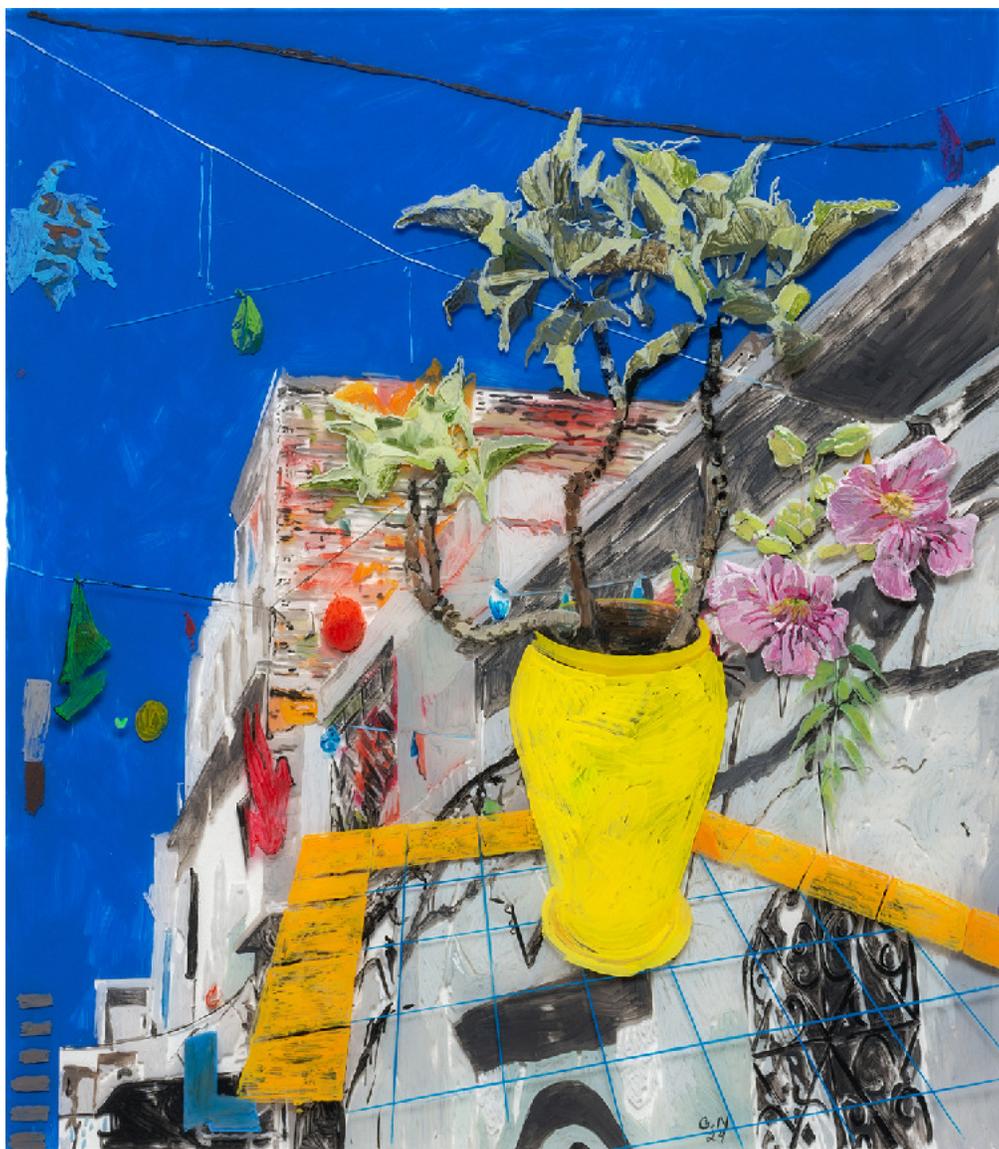

"Gail Norfleet creates complex, vividly-colored and detailed compositions that reveal her love of nature and exotic locales. Paint floating on transparent surfaces reveal the artist's ephemeral memories as though compressed by time. Flowers, interiors, and scenery intertwine to create a heightened dreamlike experience captured within the frame."

Gail Norfleet earned her BFA at The University of Texas at Austin, and her MFA at Southern Methodist University in Dallas. Her works are in the permanent collections of the Dallas Museum of Art, Longview Museum of Fine Arts, Museum of the Southwest in Midland, and The Grace Museum.
